LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Banta Elementary School District

CDS Code: 39-68486-6041750

Local Control and Accountability Plan (LCAP) Year: 2019-20

LEA contact information: Daniel Moore, Superintendent

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

## Budget Overview for the 2019-20 LCAP Year
This chart shows the total general purpose revenue Banta Elementary School District expects to receive in the coming year from all sources.

The total revenue projected for Banta Elementary School District is $5,274,463, of which $3,330,169 is Local Control Funding Formula (LCFF), $239,650 is other state funds, $1,455,000 is local funds, and $249,644 is federal funds. Of the $3,330,169 in LCFF Funds, $644,354 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

Budgeted Expenditures

Bar chart titled "Budgeted Expenditures" with y-axis from $0 to $6,000,000. Blue bar: Total Budgeted General Fund Expenditures $5,201,076. Green bar: Total Budgeted Expenditures in LCAP $3,631,629.

This chart provides a quick summary of how much Banta Elementary School District plans to spend for 2019-20. It shows how much of the total is tied to planned actions and services in the LCAP.

Banta Elementary School District plans to spend $5,201,076 for the 2019-20 school year. Of that amount, $3,631,629 is tied to actions/services in the LCAP and $1,569,447 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:
General Fund expenditures funded with Lottery, Mandated Costs, State and local Restricted programs, Routine Repair and Maintenance and Special Education programs are not included in the LCAP.

Increased or Improved Services for High Needs Students in 2019-20

In 2019-20, Banta Elementary School District is projecting it will receive $644,354 based on the enrollment of foster youth, English learner, and low-income students. Banta Elementary School District must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, Banta Elementary School District plans to spend $794,572 on actions to meet this requirement.

Update on Increased or Improved Services for High Needs Students in 2018-19

Current Year Expenditures: Increased or Improved Services for High Needs Students

Total Budgeted Expenditures for High Needs Students in the LCAP — $919,431

Estimated Actual Expenditures for High Needs Students in LCAP — $686,637

This chart compares what Banta Elementary School District budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Banta Elementary School District estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-19, Banta Elementary School District's LCAP budgeted $919,431 for planned actions to increase or improve services for high needs students. Banta Elementary School District estimates that it will actually spend $686,637 for actions to increase or improve services for high needs students in 2018-19.

The difference between the budgeted and actual expenditures of $-232,794 had the following impact on Banta Elementary School District's ability to increase or improve services for high needs students: Budgeted amount for new curriculum was not used, district did not adopt new curriculum 18/19. Actual expenditure for Nurse position was half of what was budgeted, shared nursing services with charter school in the district. Classified ELD aide salaries were lower then budgeted due to aides being out on maternity leave and sick time. This did not have any impact on the overall increased or improved services for high needs students in 2018-19.

2017-20 Plan Summary
The Story
Describe the students and community and how the LEA serves them.

The Banta Elementary School District serves a diverse group of students. Our mission statement is one that all staff members take to heart each and every day: "With integrity and compassion, Banta Elementary School District promotes a commitment to excellence, while empowering each individual to strive for the character, knowledge and skills necessary to make a positive difference in our world." Our student population is 36.5% English Learner (EL) and 74.8% are classified as Socio-Economically Disadvantage, our LCFF Unduplicated count is 75.13%. Our student population is made up of several ethnicities with the majority of our students 67.6% identifying as Hispanic Latino, 24.4% White, 1.9% African American and 5.1% two or more. We serve approximately 336 students in Transitional Kindergarten through 8th grade at one quality school.   The district also authorizes one charter school that is required to create their own LCAP.

LCAP Highlights
Identify and briefly summarize the key features of this year's LCAP.

Through analysis of our state and local data and input from stakeholders, three goals have been identified for focus within the next two years.

GOAL 1 State Priorities 1,2,4,5,7,8
Banta Elementary School District will develop and enhance quality instructional programs, including enrichment opportunities to improve student performance, and enable them to meet their personal, academic and career goals.
13 Actions/Services
GOAL 2 State Priority 6
Banta Elementary School District will provide a clean, healthy, physically and emotionally safe learning environment, in which all students can learn.
5 Actions/Services
GOAL 3 State Priority 3
Banta Elementary School District parents will actively participate in their child's education.
2 Actions/Services

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

Based on results shown on the California Dashboard academic indicators for English Language Arts, District's Socioeconomically Disadvantage and White student groups were yellow with Socioeconomically Disadvantage students increasing 5.9 points and White increasing 3.4 points, both as a result of providing students with a high quality fresh breakfast, lunch and daily snack (Action/Service 1.4).
Academic indicators for English Language Arts and Math indicate an increase in the Students with Disabilities student group, English Language Arts a 13 point increase and Math a 9 point increase, both as a result of training teachers and special education staff how to utilize supports and accommodations that are available to this student group for testing.

Suspension rates for the District's All Students was blue and decreased from 3.8% in 2017 to 1% in 2018, a decline of 2.8%, a result of increased communication efforts with parents, the District continues to monitor student behavior and will continue to offer the "Character Counts" program (2.2) for all students, and students also continue to have access to onsite counseling services (2.3) and behavior groups. Administration continues to use Positive Behavior Intervention and Supports (PBIS) and Restorative Justice Practices for student discipline (2.2).

The District has invested significant resources into the implementation of technology rich classrooms.The district has implemented 1:1 student devices, which has afforded the district to provide additional intervention software (1.3) and to support state standard technology integration. Local data confirms the district has increased enrichment opportunities, including an Art Program - Artist in Residence, Performing Arts Program and a Science Program, providing students with enrichment opportunities gives them additional opportunities to feel successful and confident in school.

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a

"Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

Based on the California School Dashboard the district was "orange" for the English Language Arts and Mathematics Academic Indicators. Most student groups maintained in ELA and Math and were orange, English Learners declined in Math 7.4 points and were red. ELA and Math performance on the CAASPP confirm a need for targeted support and intervention programs to meet the instructional needs of our students. The district was "orange" for Chronic Absenteeism, 12.2% chronic absents, maintained from previous year, white student group was "red" and increased 8.4%, confirms that work is needed to increase attendance rates. The district has identified key actions and services that are specifically designed to address students academic needs:
Action/Service 1.2 - Continue to provide every pupil with sufficient access to standards aligned instruction and materials, implement state adopted curriculum, student access to technology, maintain 1:1 student devices
Action/Service 1.3 - Continue to improve student ELA and Math levels with an Intervention program.
Action/Service 1.5 - English Learner Program with increased monitoring and services
Action/Service 1.7 - Increase Attendance rates

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

Review of the LCFF Evaluation Rubrics shows no student groups being two or more levels below the "All Student" performance. We have identified student groups in "Greatest Needs" section that may benefit from additional supports.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

The LEA does not have any schools that qualify for CSI.

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

All actions/services for this goal were implemented as planned to develop and enhance quality instructional programs, including enrichment opportunities to improve student performance, and enable them to meet their personal, academic and career goals. There were no relevant challenges with the implementation process of the action/services. The technology program has been successful with the addition of technology devices for student 1:1 use. Students are able to integrate classroom instruction with online practice modules, educational games and other forms of digital media to help them become active problem solvers and critical thinkers. The English Learner Development program Imagine Learning has been successful with progressing EL students with English proficiency.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services of this goal were effective and will continue to be implemented in the next cycle of the plan. Our English Learner program, will be an ongoing focus to best progress our English Learner students with English proficiency and academic success. Student test scores (all student groups) will also be an ongoing focus, progress is being made, but further intervention is needed to make sure all students meet or exceed standards in both English Language Arts and Math. With the addition of additional technology devices to support the district adopted curriculum students are able to integrate classroom instruction with online practice modules, educational games and other forms of digital media to help students become active problem solvers and critical thinkers, support their individual learning needs, and provide constant feedback on their achievement. Furthermore, students utilize their GAFE (Google Apps for Education) resources to take ownership of their own learning. The ratio of student technology devices is 1:1 in grades K-8. The attendance clerk is directly responsible for maintaining a 95% attendance rate. Having a science teacher has allowed us to bring the Next Generation Science standards to all of our middle school students. The self-contained science room, with a designated science teacher, has allowed the teacher to do more in depth and long term science projects.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Banta Elementary School District has included material differences of $5,000 or more and any budgeted expenditure that was not expended for any reason.
Action/Service 1.1 Title 1 expenditures were less than budget because actual funding was less than expected
Action/Service 1.2 A. Budgeted amount for new curriculum was not used, district did not adopt new curriculum 18/19
Action/Service 1.4 Expenditure was 0 due to not having to transfer any general fund, other outgo to the cafeteria funds.
Action/Service 1.5 C. ELD Technology/Materials was less than expected, technology devices were not needed

Action/Service 1.5 C. ELD Instructional Aide salaries were less than expected due to one aide position taking maternity leave
Action/Service 1.8 C. Expenditures were 0 due to participating in no cost events and additional awards and incentives were not needed
Action/Service 1.8 E. Expenditures were 0 due to all science PD provided to staff by the county office at no cost
Action/Service 1.12 A.- Expenditures were 0, A Certificated part time librarian was not hired due to a shortage of certificated librarians in California

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

After review of stakeholder input and analysis of data and review of the budget, the following changes will be made 2019-2020.
Action/Service 1.3 will be modified to include a Response to Intervention (RTI) program, including a part time RTI Specialist (certificated teacher), RTI materials, tutoring. Action/Service 1.3 B. will be modified to state Intervention Software, budgeted amount will be increased to include Beyond SST software (Intervention planning software)
Action/Service 1.4 Provide high quality meals to students. District will continue to provide low income pupils with a high quality fresh breakfast, lunch, and daily snack but budgeted amount for 19/20 will be 0 due to not having to transfer any general fund, other outgo, to cafeteria funds (food services) 18/19.
Action/Service 1.5 A. ELD Bilingual Coordinator position will now be a certificated position, $2,500 stipend.
Action/Service 1.5 E. ELD aides will be reduced from 5 to 2 and 3 will be moved to aide positions (1.10) to better serve all student groups
Action/Service 1.8 Enrichment Programs - stakeholders determined that Banta Elementary would like to focus on it's agricultural roots and implement an Agricultural Program for 2019/2020 Action/Service 1.8 J. to aligned with The Next Generation Science standards.
1.8 I Science Camp is offered every two years and it is due for 2019/2020.
Action/Service 1.11 Teacher to maintain class size reduction will be eliminated 2019/2020 due to school enrollment declining. School enrollment will decline by 40 ADA 19/20 and we can not justify a teacher position for class size reduction.
Action/Service 1.12 A. Certificated Librarian position will be eliminated 2019/2020 due to a shortage of certificated librarians in California

Metric 5 B will be measured using the California Dashboard.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

All actions/services for this goal were implemented as planned to provide a clean, healthy, physically and emotionally safe learning environment, in which all students can learn. The school nursing program continues to be very successful, the nurse is overseeing all student ailments, and is communicating with parents. Our school nurse has created health plans for all of our critical children, as well as children who have medically controlled conditions, and those that might not receive medical care due to economic hardship. The Character Counts program continues to be successful in reducing incidences of bullying based on surveys. There were no challenges in implementing this goal.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services of this goal were effective and will continue to be implemented in the next cycle of the plan. The Character Counts program has has given us a common language, and has given us a curriculum that all of our students can access. Character Counts permeates our handbooks, our school calendars, our morning announcements, the walls of our cafeteria, and all that we do. Having a school nurse has given our students a single access point for medical care. One person is now overseeing all of their ailments, and is communicating with parents. Our school nurse has created health plans for all of our critical children, as well as children who have medically controlled conditions, and those that might not receive medical care due to economic hardship. We have a health professional in attendance now at all 504, IEP and SST meetings. With the addition of Physical Education curriculum and equipment the PE program has helped students in starting life-long habits of regular physical activity. New Physical Education curriculum has made students more aware of the importance of a healthy lifestyle.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Banta Elementary School District has included material differences of $5,000 or more and any budgeted expenditure that was not expended for any reason.
Action/Service 2.3 Counseling Services to students at risk over budget due to additional students needing counseling services.
Action/Service 2.4 A - Expenditures lower than expected as nurse position was shared with the charter school in our district, see below changes for 2019-2020.

Action/Service 2.5 PE expenditures less then expected.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

After review of stakeholder input and analysis of data and budget the following changes will be made 2019-2020.
Action/Service 2.2 Anti-bullying program to include Stop It Solutions software - anonymous app to report bullying and inappropriate conduct
Action/Service 2.4 A. Nurse position will be decreased to 1 day per week and a part time Health Technician position (2.4 D.) will be created 5 days per week, due to current nurse not certified as a school nurse. Stakeholders determined that a quality nursing program can still be maintained with these changes.
Action/Service 2.5 Health Education - A part time (4 hr) PE Specialist (teacher) (2.5 B) and part time (4 hr) PE aide (2.5 C) positions will be created to better improve the PE program.

Metric 6 A will be measured using the California Dashboard.

Goal 3

Banta Elementary School District parents will actively participate in their child's education.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 3: Parental Involvement (Engagement)

Local Priorities:

Annual Measurable Outcomes

Expected	Actual
18-19 State Priority 3: Parent Involvement A. Increase parent participation, verified by participation sign in sheets, SIS Parent Portal Enrollment, school calendar Parents of Banta Elementary School District students are given opportunities and encouraged to participate in: • Parent/Teacher conferences • Back-to-School Night • Open House • Parent Faculty Association (PFA) including Banta Hay Day - • School Site Council • District Parent/Community LCAP Meetings • Classroom helpers • A number of other community and school based events • Parents are encouraged to use the District Parent Portal BESD will continue to expand approaches to communication with parents, including the district/school website, Alert Solutions messaging service, and School Newsletters.	State Priority 3: Parent Involvement A. B. C. The district and school actively recruited parents from all targeted subgroups to be members of committees and parents were given opportunities to participate in district/site activities that increase their skills as partners in education. Parents were given the opportunity to join School Site Council, Parent Faculty Association (PFA), English Learner Parent Club, ELAC/DELAC, and were encouraged to work in our classrooms. Throughout the year, many events happened that allowed parents to be involved and participate in their child's education. These activities include Back to School Night for parents to meet teachers and learn more about the curriculum and learn how to stay connected to their child's education, Open House, Parent Teacher Conferences for parents to see how their students are doing academically and socially, and several PFA events that encourage family participation. Parents were encouraged to participate in reviewing and providing meaningful consultation as stakeholders to the District's LCAP, as well as participate in the LCAP Advisory Committee. An annual parent survey was made available to parents and input from these surveys helped planning the LCAP and other Federal, State and Local programs. District and school communicated with parents and families through multiple methods to address concerns, needs, interest, and to update parents on

school events and activities. Families received letters related to how well their students were doing through report cards, progress reports, test scores, and phone calls/emails.

The District's messaging system kept parents up to date with current events at the school site. A monthly newsletter was sent home and all materials and messages sent home were available in English and Spanish. For our Spanish speaking community, a translator was also available at all district/school events and daily at the school site. Parents could check the District and school's websites to see what was happening and stay informed at all times. Parents utilized the Powerschool Parent Portal to check on their child's grades, attendance, lunch balances, or contact teachers. Teachers and staff were also encouraged to reach out to parents.

Parents of students with exceptional needs were encouraged to participate in SST, 504 and IEP process.

2018-2019 data indicates:
- Less than 3% of parents attended all LCAP stakeholder Meetings
- 45% of parents access the SIS Parent Portal
- 96% of Parents attended Parent/Teacher Conferences, Back-to-School Night, and Open House
- Less than 10% of parents attended monthly PFA meetings, 90% of parents participated in Banta Hay Day events
- 85% average parent participation in all other community and school based events
- 100% of parents with students with exceptional needs attended IEP meetings

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Action and Services for this goal were implemented as planned. Based on the review of progress stakeholders agree that all actions and services implemented in this goal were effective in providing parents with many opportunities to participate in their child's education. There is still a challenge in getting parents to attend district LCAP, ELAC/DELAC, and Parent Faculty Association meetings, this year the PFA held a parent recruitment night with hopes of getting more parents involved in the child's education. The district has been very successful with attendance at Back to School Night, Parent/Teacher Conferences, and Open House. Parents of English Learner and unduplicated students in school activities continues to increase due to outreach to these subgroups with parent involvement and fundraising.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions/services of this goal were effective and will continue to be implemented in the next cycle of the plan. Parent participation has increased – mainly in attendance at parent conferences, survey takers, and in classroom volunteers. This year we had parents involved in student council, the school play, as coaches for multiple sports, and the Parent Faculty Association. Parents are responsible for hosting all of our school dances, graduation activities, and have provided snack bars during sporting events and tournaments, as well as have hosted movie nights and the annual Hay Day fundraiser. With a translator available at all school functions and events our English Learner parents have become more involved with their students learning.

Stakeholder Engagement

LCAP Year: **2019-20**

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

The Banta Elementary School District is committed to the idea of meaningful stakeholder engagement as an integral part of developing an effective strategic plan. A series of Stakeholder meetings were held to discuss and review the Banta Elementary School District LCAP process including the discussion and review of goals, district data as well as proposed actions and services.

Community Engagement: The following groups were involved in the LCAP development process described below:

Parents, Students and Community

- 2018-2019 parent, student, and staff LCAP surveys were made available to stakeholders. Survey Responses by Stakeholder category:

 # Parents - 63, # Teachers - 11, # Students - 131 (grades 4-8)

- In February/April, parents and students were invited to attend informational meetings designed to educate the community on LCFF funding and the district LCAP. They were given an update on the district's 2018-2019 LCAP along with district data. They were given the opportunity to give input on the district's 2019-2020 LCAP goals as well as proposed actions and services. Translators were available at all meetings for our Spanish speaking community.

Certificated Staff, Local Bargaining Unit, Classified Staff

- In February/April, all Banta Elementary School District staff, including the local bargaining unit, were invited to attend informational meetings designed to educate the community on LCFF funding and the district LCAP. They were given an update on the district's 2018-2019 LCAP along with district data. They were given the opportunity to give input on the district's 2019-2020 LCAP goals as well as proposed actions and services.

LCAP Advisory Committee

- The Banta Elementary School District formed an advisory committee comprised of parents, English Learner parents, low-income parents, certificated staff, classified staff, the principal, the superintendent, and other district staff. Additionally, all stakeholders were invited to attend the Advisory Committee meetings. This group met in February and May to go over the LCAP. The final LCAP draft was submitted to the group in May for review and to allow the superintendent to post any written comments to stakeholder questions (if applicable) prior to the June 19, 2019 Public Hearing on the LCAP, LCFF, and budget review.

- June 20, 2019 School Board Adoption of LCAP/Budget

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

The input received during the process detailed above demonstrated the stakeholder's concern for the education of the district's students. Discussions and feedback were held based on what is already in place, needs to be improved, and ideas for supporting student learning via the eight state priorities that should be considered but aren't already in the LCAP.

The stakeholder feedback, after reviewing district data, demonstrated that the district should continue with the goals and actions/services in place and should prioritize its efforts as follows:

1. Improve academic achievement - State Priority 4
2. Improve campus climate and culture - State Priority 6
3. Increase and Improve parent involvement in their child's education - State Priority 6

Recommendations that actually resulted in modifications, additions or deletions include the following:

Specific Action and Services modified 2019-2020 as a result of this stakeholder engagement process include:
Action/Service 1.3 A.- Implement Response to Intervention (RTI) with part-time intervention (RTI) specialist (certificated teacher), purchase additional RTI materials, and tutoring
Action/Service 1.5 - English Learner program - Bilingual Coordinator will be a certificated teacher stipend, need for someone more qualified to coordinate the EL program, 3 ELD program aides will be moved to Action/Service 1.10 Aide positions to better service all student groups.
Action/Service 1.8 - Enrichment Programs - stakeholders determined that Banta Elementary would like to focus on it's agricultural roots and implement an Agricultural Program for 2019/2020 Action/Service 1.8 J. to align with The Next Generation Science standards
Action/Service 1.11 Teacher to maintain class size reduction will be eliminated 2019/2020 due to school enrollment declining. School enrollment will decline by 40 ADA 19/20 and we can not justify a teacher position for class size reduction.
Action/Service 1.12 A. Certificated Librarian position will be eliminated 2019/2020 due to a shortage of certificated librarians in California
Action/Service 2.4 - Nursing Services - After review of nursing services it was determined that nurse was not qualified to be a school nurse and will be replaced by a part time qualified school nurse (1 day per week) and a part time Health Technician (5 days per week).
Action/Service 2.5 - Health Education - After review of the Physical Education program it was determined that the students would benefit having a part time PE teacher, 4 hour PE teacher position will be implemented along with a PE 4 hour aide position.

Unchanged Goal

Goal 1

Banta Elementary School District will develop and enhance quality instructional programs, including enrichment opportunities to improve student performance, and enable them to meet their personal, academic and career goals.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 1: Basic (Conditions of Learning)
                     Priority 2: State Standards (Conditions of Learning)
                     Priority 4: Pupil Achievement (Pupil Outcomes)
                     Priority 5: Pupil Engagement (Engagement)
                     Priority 7: Course Access (Conditions of Learning)
                     Priority 8: Other Pupil Outcomes (Pupil Outcomes)

Local Priorities:

Identified Need:

1. Access to fully credential teachers, instructional materials and facilities in good repair. Data reviewed: Williams's reports, LCAP surveys and stakeholder discussions
2. Professionally trained teachers that provide access to California State, Common Core and ELD standards through the implementation of academic content. Data reviewed: Staff discussion/collaboration
3. Access to technology tools for the purpose of communication, research, problem solving, and digital citizenship. Data reviewed: LCAP surveys and stakeholder discussion, technology inventories.
4. Meet or exceed standards in ELA and Math. Data reviewed: CAASPP, California School Dashboard
5. Fluency in English. Data reviewed: CAASPP, ELPAC, Reclassification criteria, California School Dashboard
6. To be on time and present at school daily. Data Reviewed: District attendance reports
7. Enrichment opportunities and course access, investigate other enrichment programs. Data reviewed: Stakeholder and staff discussion/collaboration

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: **2019-20**

Estimated Supplemental and Concentration Grant Funds

$644,354

Percentage to Increase or Improve Services

24.69%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds (see instructions).

Banta Elementary School District has an unduplicated pupil count of 75%.

The following programs and services are provided to students using Supplemental/Concentration funds:

- Provide every student access to standards aligned instruction, materials, and technology to support technology integration
- Improve students reading and math levels with supplementary programs and materials, Response to Intervention (RTI) program, STAR360, Accelerated Reader, Math and English Language Arts online intervention software, online video service, tutoring
- English Language Development Program: English Language Development and ELPAC testing support, Bilingual (ELD) Coordinator, part-time ELD aides to support English Language Development instruction, supplemental curriculum, technology, and software (Imagine Learning) to instruct English learners in the classroom, Professional development focusing on the needs of English Learners, English Language Development Tutoring
- Professional Development focusing on California standards instructional strategies, assessment items, and technology integration
- Attendance Clerk, attendance incentives
- Enrichment programs: Artist in Residence, Performing Arts program, Science Program, Agriculture Program, participation in county academic events
- Part time instructional aide positions
- Library Services - library access for all student groups to support students research and learning
- Transportation of students to access educational services
- Anti-Bullying program: Character Counts, student assembly on bullying, bullying anonymously reporting software "STOPit"

- Counseling Services
- Nursing Services
- Health Education - Physical Education curriculum/materials, part-time PE teacher, part time PE aide
- Parent Involvement: resources needed to improve opportunities for parents to participate in their student's education
- Provide translators and translated materials for school-family communications

Supplemental/Concentration funds are being spent in a LEA wide manner to provide the following programs and services that are principally directed towards meeting the District's goals for its unduplicated pupils in the eight state priority areas:

Goal 1:
- Action/Service 2 - Continue to provide every pupil sufficient access to standards aligned instruction and materials. Technology upgrades to support technology integration. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority areas 1,2,4. Assure unduplicated students have access standards aligned resources and the technology skills needed to prepare them for college and career.
- Action/Service 3 - Continue to improve CAASPP scores. Improve student's reading and math levels with supplemental programs and materials. Star360 (benchmark assessment), Accelerated Reader, Math and English Language Arts online intervention software, standard aligned online video service, Response to Intervention (RTI) program. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority area 4. Assure unduplicated students are growing toward grade level proficiency.
- Action/Service 5 - Maintain English Learner Development Program for English Learners with increased monitoring and services.
- Action/Service 6 - Provide all teachers and paraprofessionals with Professional Development focusing on state standard instructional strategies, assessment items, and technology integration. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority areas 2,4. Improve instruction to unduplicated students.
- Action/Service 7 - Attendance Program: Attendance Clerk and student attendance incentives. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority areas 4,5. Attendance rates indicate that unduplicated students are absent more often.
- Action/Service 8 - Enrichment Opportunities: Artist in Residence, Performing Arts materials, participation in county academic events, Science program: science teacher, science professional development, science materials and technology, TOPS Scientist, Science Camp, Agriculture Program aligned to the Next Generation Science standards. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority areas 4,7,8. Exposing our unduplicated students to enrichment opportunities that they might not otherwise have, due to poverty. Many of our unduplicated students struggle academically and don't enjoy school, but providing them with opportunities to participate in enrichment opportunities may strengthen their academics and give them additional opportunities to feel successful and confident in school.

- Action/Service 10 - Part-time instructional aide positions. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority area 4. Increased support to unduplicated students needing assistance in achieving academic success.
- Action/Service 12 - Library Services - the services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority area 4. Many of our unduplicated students do not have access to library services outside of school to support research and learning.
- Action/Service 13 - Transportation of students to access educational services. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority area 4,5. Many of our unduplicated students would not have transportation to school, due to rural school boundaries (distance to school) and poverty.

Goal 2:
- Action/Service 2 - Anti-Bullying Program: Character Counts, student assemblies on bullying, STOPit software. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority area 6.
- Action/Service 3 - Counseling services. These services are principally directed and effective, in targeting our unduplicated students in meeting the District's goals in the state priority area 6. Our unduplicated students receive counseling services for reasons that might develop due to poverty or second language barriers.
- Action/Service 4 - Nursing services. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority area 6. Our unduplicated students receive nursing services for chronic illnesses, and dental and health services that they might not receive elsewhere due to poverty.
- Action/Service 5 - Health Education. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority area 6, exposing our unduplicated students to life skills that they might not receive elsewhere due to poverty and second language barriers.

Goal 3:

- Action/Service 1 - Provide resources for Parent Involvement. Improve opportunities for parents to be involved in their child's education. Continue and expand approaches to communication with parents, including district/school website, Alert Solutions messaging service, school newsletters, Powerschool Parent Portal. The services provided are principally directed toward and effective in targeting our unduplicated students in meeting the District's goals in the state priority area 3. Parent participation data indicates that parent participation is lower for our parents of unduplicated parents.

The justification for LEA-wide implementation of these actions and services is to ensure a positive outcome for student achievement and school connectedness by providing services to students that might have less resources available to them that would impact their learning. Although LEA-wide spending is principally directed towards our unduplicated students, all students, at all academic or

language levels should have the opportunities to work together, collaborate, and be accountable for one another's learning. Cumulatively, the services described above increase or improve services by at least 21%

In our annual budgets for the three years we have surpassed this proportionality with increased or improved services for low income, foster youth and English Learners. These student groups get the benefits of these proportional dollars and also the benefits of funds and resources allocated to "all students" due to our size and homogeneous population.

While our foster youth students do not meet the threshold of a significant student group (1 student 2018-2019), we will always endeavor to provide them the support that they need to be successful.

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. The LCAP is a three-year plan, which is reviewed and updated annually, as required. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the EC. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, enter the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the California School Dashboard data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to California School Dashboard means the California School Dashboard adopted by the State Board of Education under EC Section 52064.5.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified**: Identify the schools within the LEA that have been identified for CSI.

- **Support for Identified Schools:** Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP; in addition, list the state and/or local priorities addressed by the planned goals. Minor typographical errors may be corrected.

> * For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

> For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

> Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the actual actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

> Using actual annual measurable outcome data, including data from the California School Dashboard, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.

- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.

- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. EC identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. EC requires

charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, EC Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, enter the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, enter the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

List the state and/or local priorities addressed by the goal. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. (Link to State Priorities)

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the California School Dashboard, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the LCAP Template Appendix, sections (a) through (d).

Planned Actions/Services

For each action/service, the LEA must complete either the section "For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement" or the section "For Actions/Services included as contributing to meeting the Increased or Improved Services Requirement." The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The "Students to be Served" box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by entering "All", "Students with Disabilities", or "Specific Student Group(s)". If "Specific Student Group(s)" is entered, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must identify "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identifying the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA's overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see Demonstration of Increased or Improved Services for Unduplicated Students section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify the scope of service by indicating "LEA-wide", "Schoolwide", or "Limited to Unduplicated Student Group(s)". The LEA must identify one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, enter "LEA-wide."

- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, enter "schoolwide".

- If the action/service being funded and provided is limited to the unduplicated students identified in "Students to be Served", enter "Limited to Unduplicated Student Group(s)".

For charter schools and single-school school districts, "LEA-wide" and "Schoolwide" may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use "LEA-wide" to refer to all schools under the charter and use "Schoolwide" to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use "LEA-wide" or "Schoolwide" provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate "All Schools". If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans". Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by entering "Specific Schools" and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, "All Schools" and "Specific Schools" may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the "Action #" box for ease of reference.

New/Modified/Unchanged:

- Enter "New Action" if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.

- Enter "Modified Action" if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.

- Enter "Unchanged Action" if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
    - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may enter "Unchanged Action" and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school's budget that is submitted to the school's authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the "Goals, Actions, and Services" section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by EC sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the "Demonstration of Increased or Improved Services for Unduplicated Students" table and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the current year LCAP. Retain all prior year sections for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to California Code of Regulations, Title 5 (5 CCR) Section 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.

- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities**.** Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.

- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:
  A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
  B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
  C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:
  A. The implementation of state board adopted academic content and performance standards for all students, which are:
      a. English Language Arts – Common Core State Standards (CCSS) for English Language Arts
      b. Mathematics – CCSS for Mathematics
      c. English Language Development (ELD)
      d. Career Technical Education
      e. Health Education Content Standards
      f. History-Social Science
      g. Model School Library Standards
      h. Physical Education Model Content Standards
      i. Next Generation Science Standards
      j. Visual and Performing Arts
      k. World Language; and
  B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:
  A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
  B. How the school district will promote parental participation in programs for unduplicated pupils; and
  C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:
  A. Statewide assessments;
  B. The Academic Performance Index;
  C. The percentage of pupils who have successfully completed courses that satisfy University of California (UC) or California State University (CSU) entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
  D. The percentage of English learner pupils who make progress toward English proficiency as measured by the California English Language Development Test (CELDT);
  E. The English learner reclassification rate;
  F. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
  G. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:
  A. School attendance rates;
  B. Chronic absenteeism rates;
  C. Middle school dropout rates;
  D. High school dropout rates; and
  E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:
  A. Pupil suspension rates;
  B. Pupil expulsion rates; and
  C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:
  A. S broad course of study including courses described under *EC* sections 51210 and 51220(a)-(i), as applicable;
  B. Programs and services developed and provided to unduplicated pupils; and
  C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under *EC* sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils.

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:
  A. Working with the county child welfare agency to minimize changes in school placement
  B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
  C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
  D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:
  A. Local priority goals; and
  B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *EC* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

    (a) "Chronic absenteeism rate" shall be calculated as follows:

        (1) The number of K-8 students who were absent 10 percent or more of the school days excluding students who were:

        (A) enrolled less than 31 days

        (B) enrolled at least 31 days but did not attend at least one day

        (C) flagged as exempt in the district attendance submission. K-8 students are considered to be exempt if they:

            (i) are enrolled in a Non-Public School

            (ii) receive instruction through a home or hospital instructional setting

            (iii) are attending a community college full-time.

        (2) The number of students who meet the enrollment requirements.

        (3) Divide (1) by (2).

    (b) "High school dropout rate" shall be calculated as follows:

        (1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

        (2) The total number of cohort members.

        (3) Divide (1) by (2).

    (c) "High school graduation rate" shall be calculated as follows:

        (1) For a 4-Year Cohort Graduation Rate:

        (A) The number of students in the cohort who earned a regular high school diploma by the end of year 4 in the cohort.

        (B) The total number of students in the cohort.

        (C) Divide (1) by (2).

        (2) For a Dashboard Alternative Schools Status (DASS) Graduation Rate:

        (A) The number of students who either graduated as grade 11 students or who earned any of the following:

        (i) a regular high school diploma

        (ii) a High School Equivalency Certificate

        (iii) an adult education diploma

        (iv) a Certificate of Completion and was eligible for the California Alternative Assessment if under the age of 20.

        (B) The number of students in the DASS graduation cohort.

        (C) Divide (1) by (2).

    (d) "Suspension rate" shall be calculated as follows:

        (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).

        (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

        (3) Divide (1) by (2).

    (e) "Expulsion rate" shall be calculated as follows:

        (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).

        (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?

2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to EC Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?

3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?

4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?

5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?

6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *EC* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?

2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?

3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?

4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?

5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *EC* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *EC* Section 42238.01?

6) What specific actions were taken to consult with pupils to meet the requirements 5 *CCR* Section 15495(a)?

7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?

2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?

3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?

4) What are the LEA's goal(s) to address any locally-identified priorities?

5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

6) What are the unique goals for unduplicated pupils as defined in *EC* Section 42238.01 and groups as defined in *EC* Section 52052 that are different from the LEA's goals for all pupils?

7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?

8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?

9) What information was considered/reviewed for individual school sites?

10) What information was considered/reviewed for subgroups identified in *EC* Section 52052?

11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *EC* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?

12) How do these actions/services link to identified goals and expected measurable outcomes?

13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

LCAP Expenditure Summary
